is granted authorisation according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report CRT0 082158.1**

Tested for harmful substances

according to Oeko-Tex® Standard 100

56056

OeTI

for the following articles:

Kitchen towels, bedlinen, table cloths, 100% cotton and cotton/polyester, white, dyed with vat, reactive and disperse dyes and finished, incl. accessories (elastic tape, woven and printed labels and sewing thread)

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 31.01.2017
